

Entry Requirements

Updated:  
June 10

Country of Destination	Type of Visitor	Open to Tourists	Open to US Tourists	Travel / Medical Insurance Required?	COVID-19 Test Required	Quarantine Required	Additional Entry Requirements, Links & Notes	Required Medical Coverage	Additional Information	Vaccination Exceptions
<b>Anguilla</b>	US Residents	No	No	Yes	Yes	No	<p>Following the border closure announced on April 22, Anguilla reopened to visitors on May 25.</p> <p>Normally, entry must be pre-approved, with the application requiring proof of a negative PCR test from within 3-5 days of travel and health insurance. There are fees associated with pre-entry approval that cover 2 tests per person as well as public health monitoring. The fees depend on length of stay and party size.</p>	<a href="#">"covers the cost of COVID-19 related treatment for 30 days"</a>	<p>All travelers must present a negative PCR test result upon arrival, be tested upon arrival, and submit to tests on day 14 of their stay. Select properties, restaurants, and activities deemed "bubble-safe" will still be accessible to guests during this time. After a negative result is achieved for all tests, travelers will have free movement.</p> <p>Beginning July 1, entry preapproval</p>	<p><a href="#">Fully vaccinated travelers may leave their "bubbles" after 7 days, instead of 14, provided their final dose was at least three weeks before arrival. Vaccinated visitors are also exempt from the health insurance requirement. Beginning July 1, fully vaccinated visitors will not be asked to quarantine or test after arrival, but will still be asked to</a></p>

Entry Requirements

<p><b>Aruba</b></p>	<p>US Residents</p>	<p>Yes</p>	<p>Yes</p>	<p>Yes</p>	<p>Yes</p>	<p>No</p>	<p><a href="#">All visitors must have Aruba Visitors Insurance that is sold only via <u>Edcardaruba.aw</u> (\$30 flat for travelers age 15 and older, \$10 for travelers 14 and under)</a></p>	<p>Maximum Medical at \$75K Will only accept Insurance purchased via Aruba insurance</p>	<p><a href="#">Passengers must either have a negative test from less than 72 hours prior to arrival or submit to a test upon arrival and quarantine until the result returns as negative. Even passengers who are vaccinated must show a test result</a></p>
