Anguilla	US Residents	Yes	Yes	Yes	Yes	No	Entry must be pre-approved, with the application requiring proof of a negative PCR test and health insurance. There are fees associated with pre-entry approval that cover 2 tests per person as well as public health monitoring. The fees depend on length of stay and party size.	"covers the cost of COVID-19 related treatment for 30 days"	All travelers must present a negative PCR test result upon arrival, be tested upon arrival, and submit to tests on days 10 and 14 of their stay. Select properties, restaurants, and activities deemed "bubble-safe" will still be accessible to guests during this time. After a negative result is achieved for all tests, travelers will have free movement.
